## Prominent Experiences

I've managed ten international scientific conferences from 2016 to 2023 in several different countries, as follows:

### **The Tenth International Conference 2023 (Tunisia)**

It was organized in collaboration between the London Research Center and the Green University under the title "The Importance of Manuscripts in Preserving Identity and Achieving Social Contract Dimensions" from 5th to 6th March 2023. The conference featured 30 scientific papers by researchers from 13 countries around the world, with the attendance of a hundred academics from various backgrounds.

### **The Ninth International Conference 2022 (Palestine)**

It was organized in collaboration between the London Research Center and the College of Intermediate Studies at Al Isra University in Gaza, Palestine, from 1st to 2nd June 2022 under the title "Vocational and Technical Education and Training between Real Challenges and Future Outlook," sponsored by the Minister of Higher Education and Scientific Research, Dr. Mahmoud Abu Moais. It showcased 51 solid scientific papers with the participation of 85 researchers from 13 countries and 32 universities worldwide, chaired by Dr. Abdul Fattah Qarmann.

### **The Eighth International Conference 2022 (Egypt)**

The international conference on "New Media and its Role in Enhancing Social Security and Economic Development" was organized by the Afro-Asian Universities Association, in collaboration with Mohammed V University in Rabat, the Arab Women Leaders Union, and the Akoda Group for Technology and Education on 4-5 September 2022. Over two days, six scientific sessions were held covering 30 scientific papers, with the attendance of more than a hundred scholars from 12 countries worldwide.

### **The Seventh International Conference 2021 (Iraq)**

In collaboration between the London Research Center and the Iraqi Ministry of Higher Education and Scientific Research at Thi Qar University - College of Basic Education, sponsored by the University President, Prof. Abdul Redha Abbas, the conference took place on the virtual platform Zoom from 18th to 19th September 2021 under the title "The Social Dimensions of Basic Education between Theory and Practice," chaired by Dr. Abdul Bari Madi, with the attendance of 100 researchers from 11 countries. The conference discussed 35 solid scientific papers and presented 13 recommendations to address issues in basic education.

### **The Sixth International Conference 2020 (Palestine)**

In collaboration between the London Research Center and Al-Fajr Schools in the capital of Palestine, Jerusalem, the conference took place from 27th to 29th September 2020 under the title "Education in the Arab World: Present Challenges and Future Prospects," chaired by Dr. Khalid Al-Dweik. It was attended by princes, ministers, and 150 researchers from 13 countries, discussing 60 solid scientific papers and presenting 14 recommendations to address issues in Arab education.

### **The Fifth International Conference - Deputy Director of the Conference - 2020 – (Iraq)**

In collaboration between the London Research Center and the College of Education at Salahaddin University in Erbil City in the Kurdistan Region of Iraq, the conference took place from 29th to 30th January 2020, under the title "Educational and Psychological Sciences," sponsored and inaugurated by the Minister of Higher Education and Scientific Research, Dr. Aram Qadir, under the slogan "With Education and Psychological Stability, We Rise to a Better Tomorrow." The conference discussed 55 distinguished scientific papers presented by 60 researchers. The conference was chaired by the President of Salahaddin University, Prof. Ahmed Anwar.

### **The Fourth International Conference 2020 (Belgium)**

In collaboration between the London Research Center and Universal Consulting Research and Training – London, under the title "Implications of the COVID-19 Virus," the conference took place from 6th to 8th June 2020, with the participation of 90 researchers from 15 countries who presented 74 solid scientific research papers.

### **The Third International Conference 2019 (Bahrain)**

The conference took place in the Kingdom of Bahrain in October 2019, jointly organized by London Center, the Ministry of Justice in Bahrain, and the Academic Consultant Company sponsored and attended by the Bahraini Minister of Justice and Islamic Affairs. Over three days, 69 scientific papers and applied projects were discussed, presented by 74 researchers, in twenty scientific sessions and with four applied projects submitted by specialized entities and scientists from various fields.

### **The Second International Conference 2018 (Jordan)**

The conference took place in the Hashemite Kingdom of Jordan in 2018 under the title "Social and Economic Implications of Terrorism in the Context of Regional Developments and International Transformations," sponsored and attended by His Highness Prince Hassan bin Talal, 3 former ministers, and 7 current ministers from the Kingdom of Jordan. The honorary patronage was held by Her Highness Princess Manal Bint Mused Al Saud, with the participation of 99 researchers from 15 Arab countries who presented 79 scientific papers.

## The First International Conference 2016 (Jordan)

The conference took place in April 2016 in collaboration between the London Center and the Arab Thought Forum in the Hashemite Kingdom of Jordan, under the sponsorship of His Royal Highness Prince Hassan bin Talal, under the title "Contemporary Trends in Educational Institutions.. Reform and Development" with the slogan "Proper Education is a Lifeline." It had the participation of 75 researchers from 12 Arab countries who presented 80 scientific papers. Participants included ministers, former ministers, and university presidents.

### Other Experiences
