Software Modifications

A feature has been added to filter objectives by college and department within the panel to facilitate quick and efficient access to desired objectives.

1

2 A filtering system for class information by college and department has been added to department pages to review related information more accurately.

The curriculum filtering by college and department has been implemented to facilitate access to suitable study plans for each department and college.

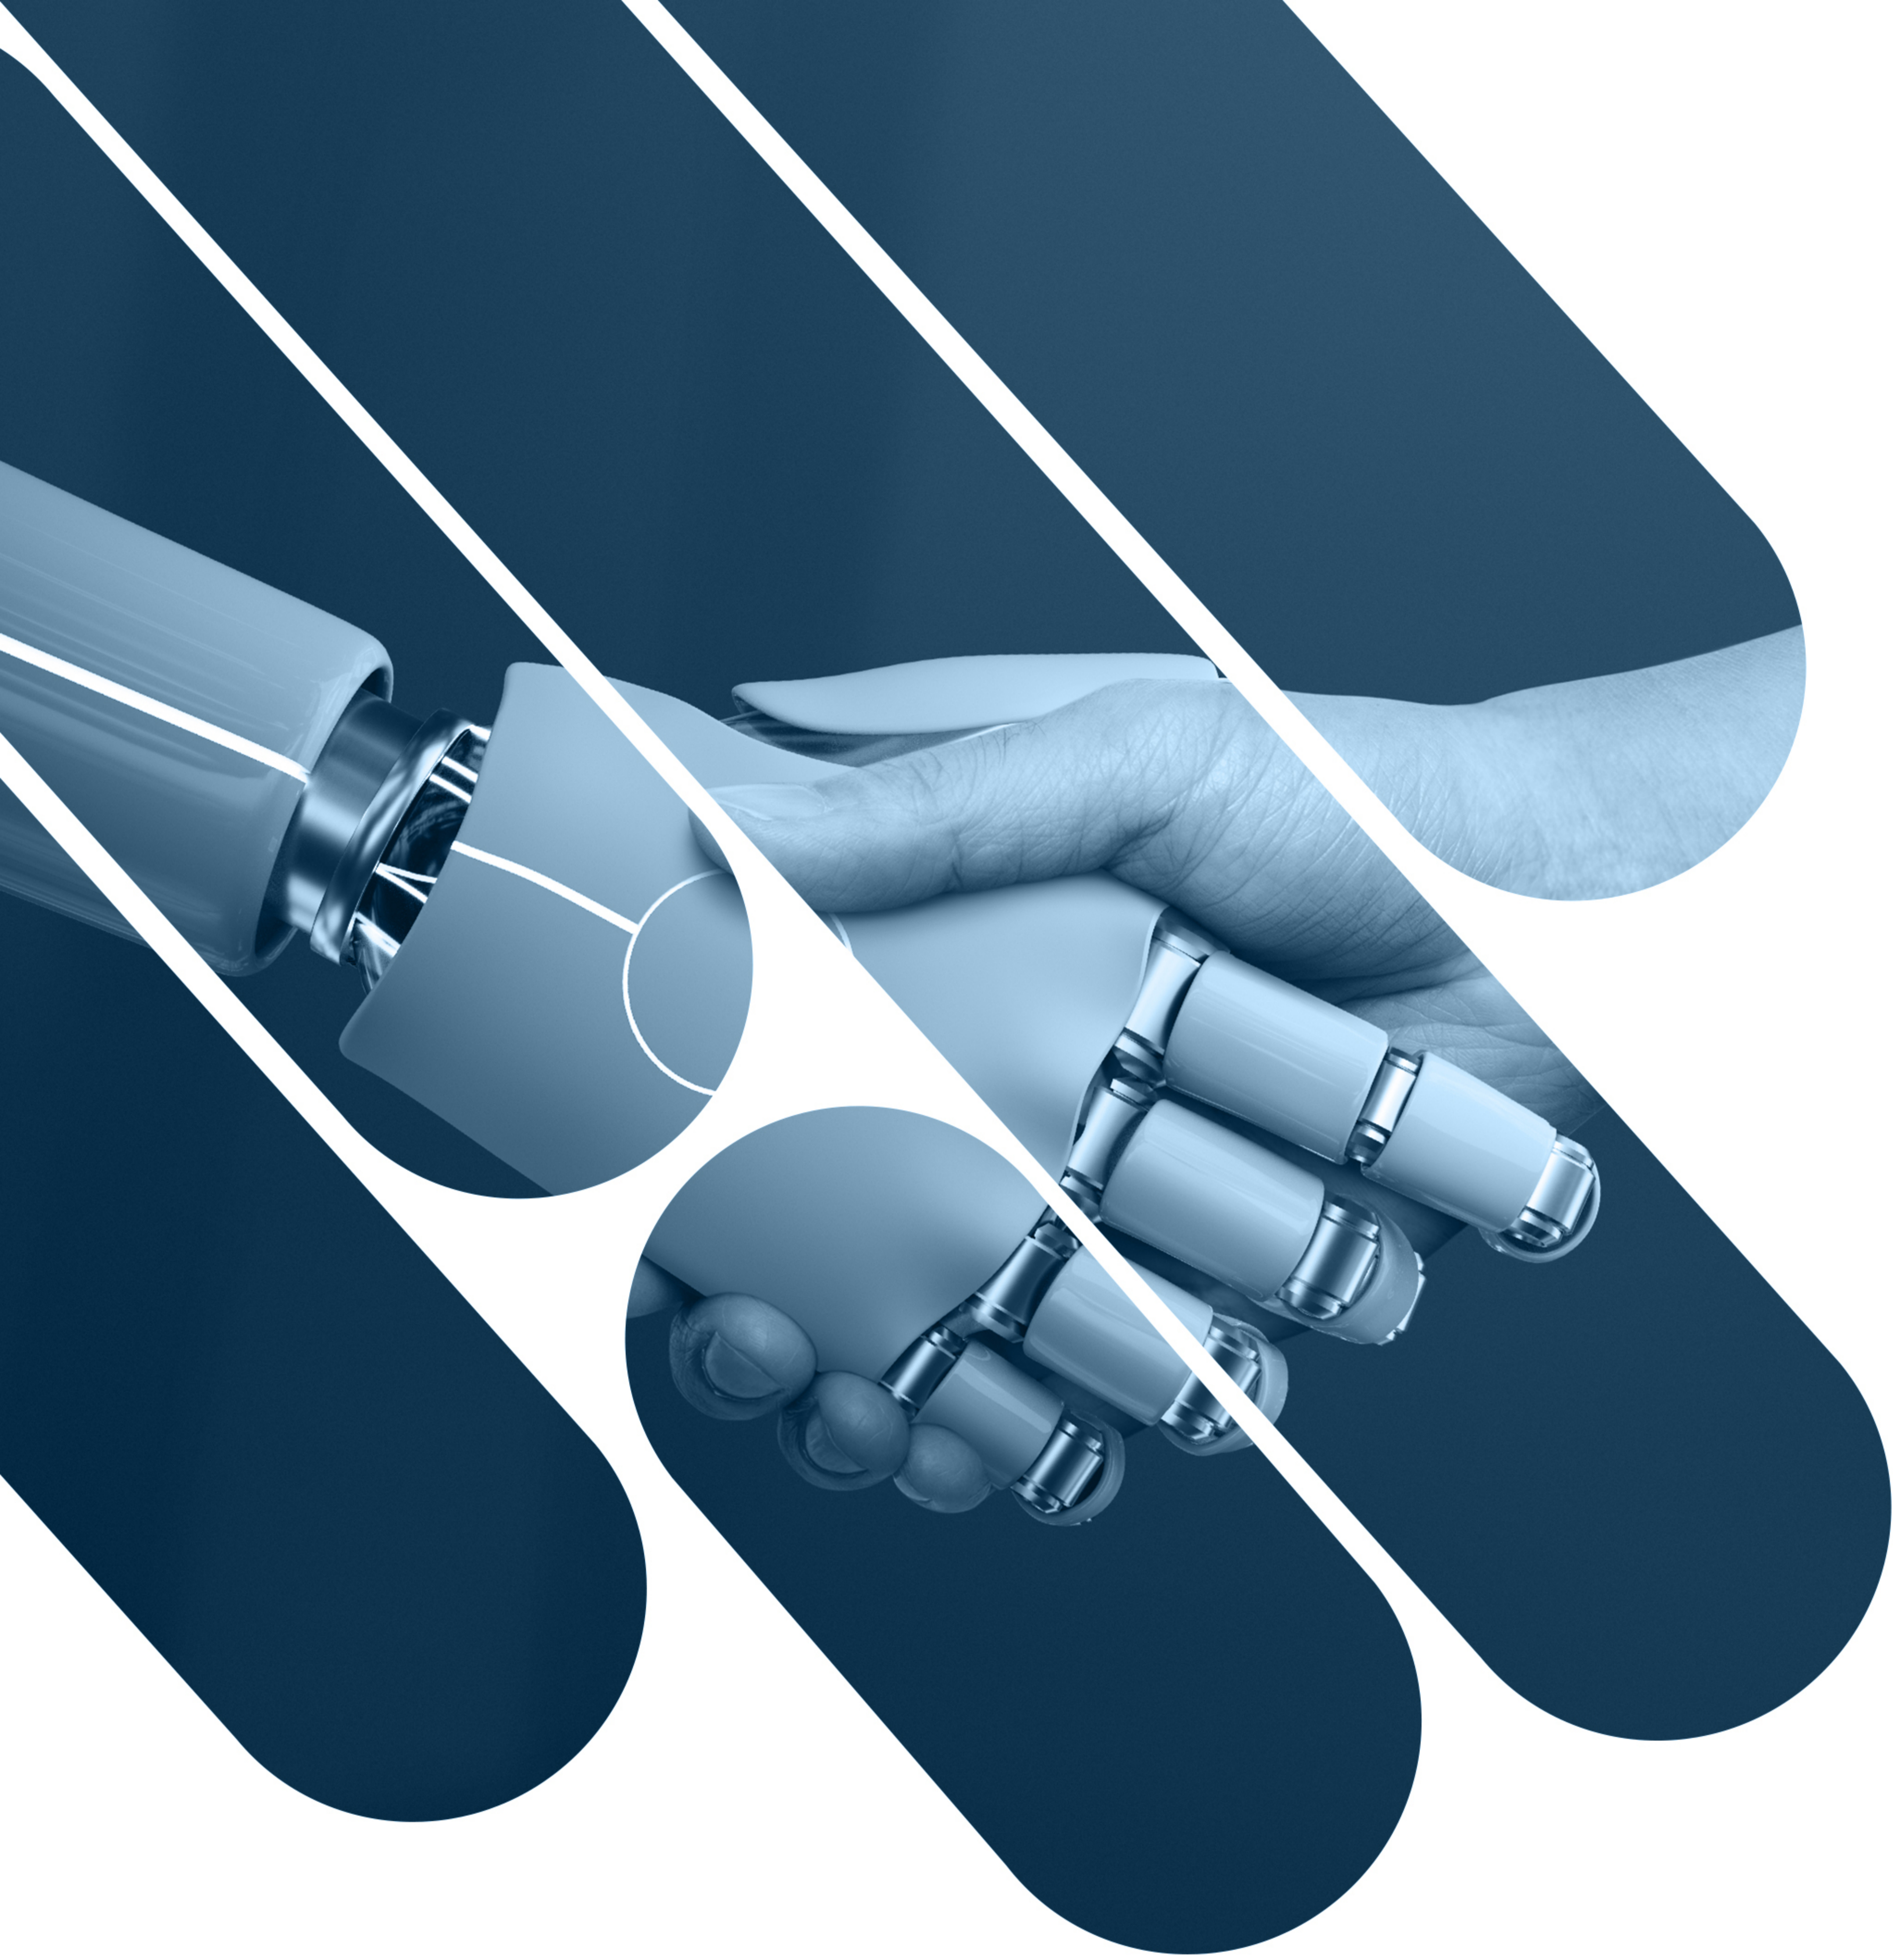

3

4 The issue of subpoints appearing in the text editor has been resolved to display texts in a formatted and correct manner across all website pages.

The issue that occurred when clicking on the English language button in the study plans on the control panel has been resolved.
