Dr. Shams Al-Jabi

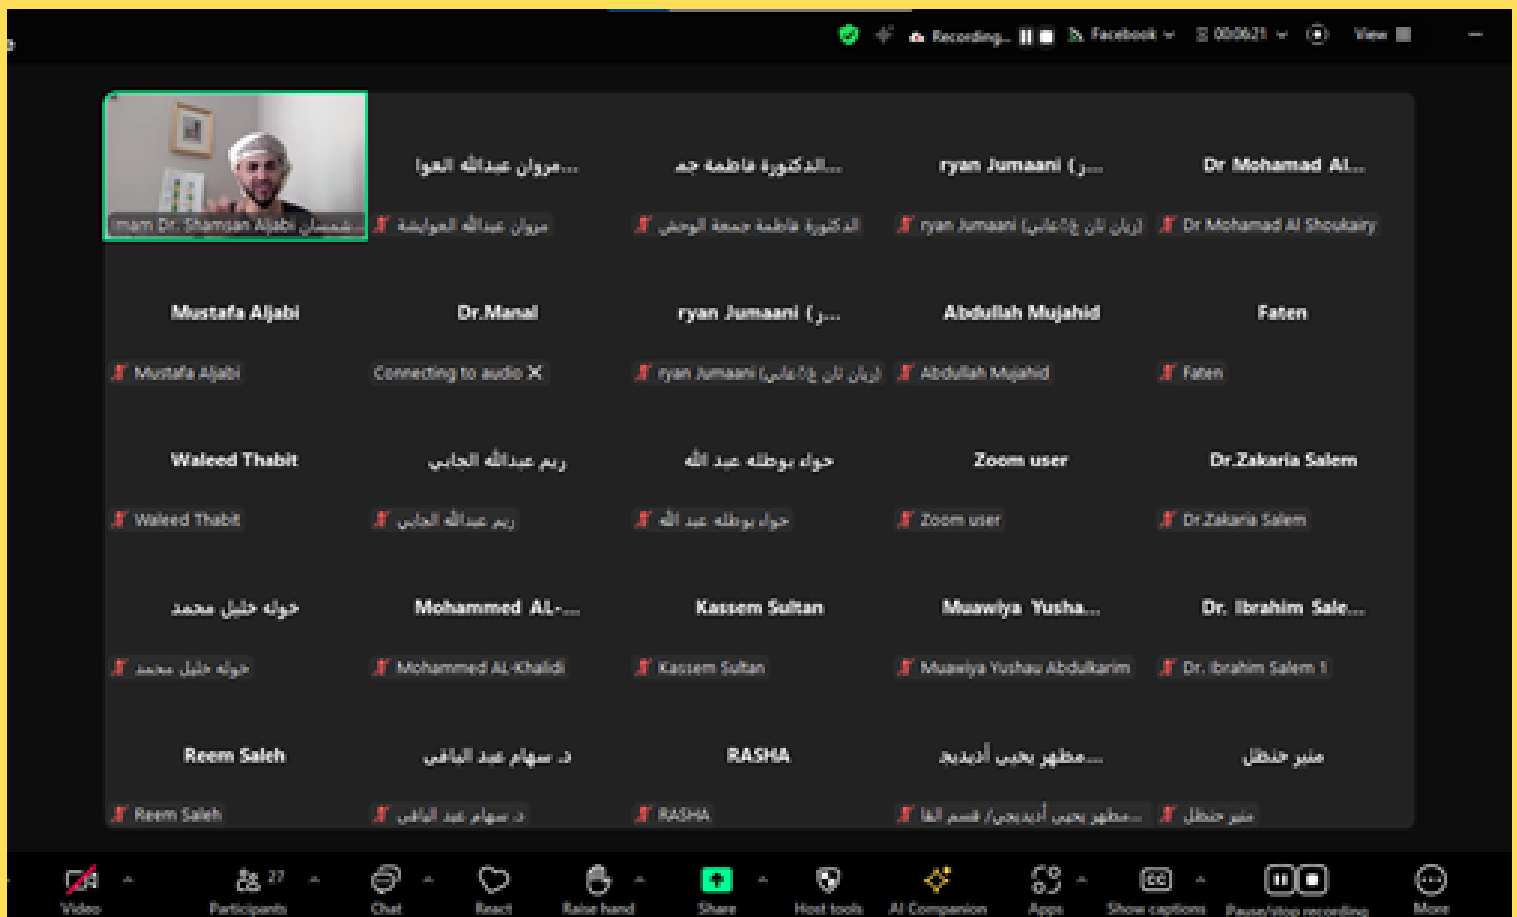

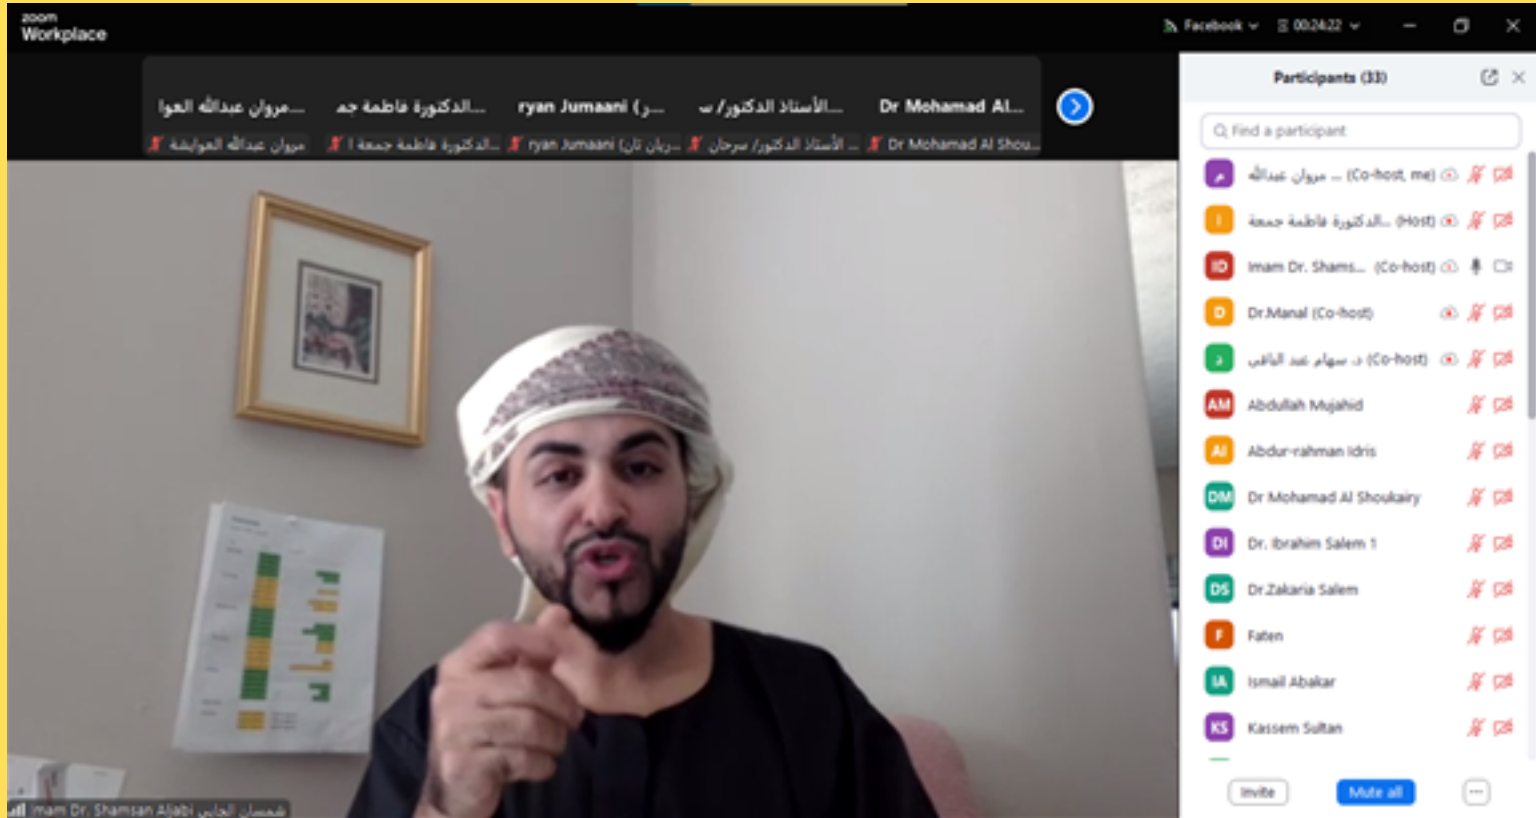

preacher in the United States of America

The lecturer talked about the definition of blessing in Islam in terms of concept, causes, and obstacles. He also mentioned many real examples that indicate this from the Holy Quran and the pure and honorable Sunnah. He explained its importance and its effect on humans in general, and he also explained the difference between Muslims and non-Muslims in this regard.

TOPICS

The trainer explained the meaning of blessing through two basic concepts: stability and necessity (i.e. the continuation of the situation without decrease) and increase and growth (i.e. the continuation of the situation with its increase).

The trainer explained the concept of blessing and its forms and types. Blessing is present in the life of every Muslim in his money, children, food and the rest of his life, and explained the importance of preserving it.

The trainer explained that one of the keys to obtaining the basic blessing is faith in God and piety.

The trainer explained that one of the keys to blessing for a Muslim is the supplication of the Prophet, may God bless him and grant him peace, the supplication of the parents, and the dawn prayer, in accordance with the supplication of the Prophet, may God bless him and grant him peace, in the hadith of the Prophet, may God bless him and grant him peace

“Allah, bless my nation in its early hours”

The number of attendees reached 35 people from inside and outside the university
