College of Computer Science and Information Technology Achievements –apil2025

1. Academic and Administrative Activities

- Implementation of Supplementary Examinations: Supplementary exams were completed for students who failed some courses in previous semesters.

- Preparation and Approval of Summer Semester 2025 Schedules: Schedules were prepared in coordination with Dr. Saleh Al-Riyashi, Chairman of the Schedules Committee.

- Division of Courses and Determining Their Timings: Courses were organized and lecture times were set to achieve a balance between theoretical and practical aspects.

- Creation of Subject Groups: Study groups were created for each course, where academic content was published and students and faculty members were added

2. Academic Achievements

- Awarding a PhD: Researcher Dr. Mounir Abdel Bari Abdel Fattah Abdo was awarded a PhD after defending his dissertation entitled "Protecting Information Systems Networks from Cyberattacks."

3. Academic Workshops

- "Basics of Scientific Research: From Idea to Publication" workshop, presented by Dr. Mohamed Rashidi.

- "How to Prepare a Comprehensive Research Plan" workshop, presented by Dr. Yasser Al-Malik.

4. Joining New Academic Talents

- Dr. Hossam Fathy Suleiman Wahba – Assistant Professor – Department of Networks and Cybersecurity.

- Dr. Duaa Mohi El-Din Mohamed Hussein – Assistant Professor – Department of Networks and Cybersecurity

5. Activities and Events

- Posting Congratulations, Activities, and Events: The college's achievements were celebrated by posting congratulatory messages on the occasion of the award of doctoral degrees and the joining of new faculty members.

Finally, these achievements reflect the continuous development of the College of Computer Science and Information Technology, as the college strives to achieve academic and administrative excellence by promoting scientific research, developing the educational process, attracting academic talent, and fostering an active academic environment. These achievements underscore the college's commitment to excellence and innovation, contributing to strengthening its position as a leading academic institution in the field of computer science and information technology.
