

College of Computing and Information Technology Achievements – May 2025

During May 2025, a number of important academic and administrative tasks and projects were completed at the College of Computing and Information Technology. The most notable achievements include:

1-Two College Council meetings were held on May 8 and May 19, 2025, to discuss several important topics, including:

- Preparation for final exams
- Forming the University Textbook Preparation Committee
- Preparing the academic schedules for the next semester
- Discussing the summer camp project

Forming the University Textbook Preparation Committee, headed by:

Dr. Yasser Al-Malik (Committee Chairman)

Dr. Hani Al-Hobi (Vice Chairman)

Dr. Muhammad Rushdi (Committee Rapporteur)

-Officially approving the academic schedules for the next semester, through the Chairman of the Schedules Committee, and completing their distribution to departments, after full coordination with department heads and the audio rooms

-Summer semester exams were completed, and grades for assignments and exams were successfully recorded by the Chair of the Schedules Committee and faculty members, and submitted on time

-Approval of the university textbook development plan and updating its content to keep pace with scientific developments and modern curricula

-Appointment of a Vice Chair for the Computer Science Department:

Dr. Bushra Ebrar Sharif

Appointment of several new faculty members in various departments:

Mr. Amin Muhammad Mahmoud Agha – Lecturer,
Department of Networks and Cybersecurity

Dr. Ashraf Radwan Suleiman – Assistant Professor,
Department of Data Science and Artificial Intelligence

Ms. Manal Abdul Latif Haider Al-Mansouri – Lecturer,
Department of Management Information Systems

Mr. Omar Abdul Aziz Salem Hamdan – Lecturer,
Department of Computer Science

Dr. Musa Muhammad Issa – Associate Professor,
Department of Networks and Cybersecurity

Dr. Yahya Ahmed Zakaria Salem – Assistant Professor,
Department of Networks and Cybersecurity

Dr. Saif Al-Dawla Fath Al-Rahman Al-Hajj – Assistant Professor, Department of Computer Science

Implementing summer camp activities and supporting academic and research activities within the college

Uploading new faculty members' data to the college's official website and sending it to departments and the academic portal

Links to faculty members' certificates, as well as the dean's certificates, department heads, and their deputies' certificates, were sent, along with an official letter of thanks

By the grace of God, all assigned tasks were completed during this month, and things proceeded in an organized and successful manner. Praise be to God for His facilitation and guidance
